

TORCON®

VisionPRO™

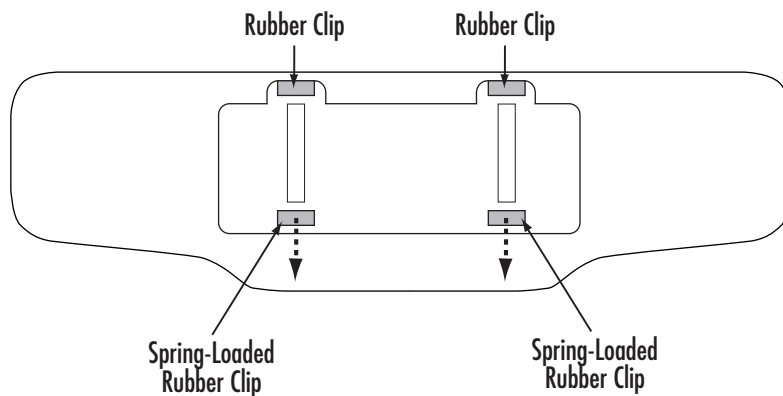

wide-angle rearview mirror
with anti-glare surface

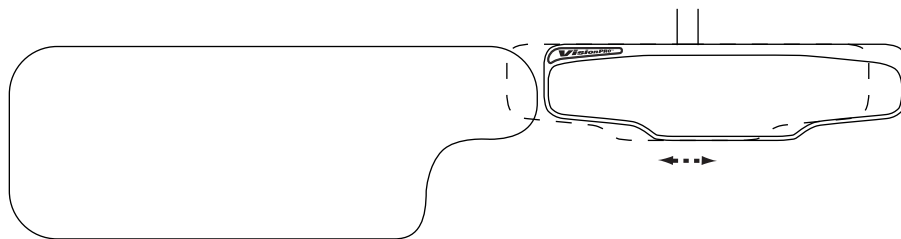

- Extra large surface area gives you wider visibility in blind spots
- Anti-glare gold-plated surface absorbs and diffuses light
- Spring-loaded clips attach quickly and easily to most existing rearview mirrors
- Lifetime warranty

INSTALLATION

(Back view of VisionPRO mirror shown)

Hook top rubber clips over top edge of your vehicle's rearview mirror. Holding the VisionPRO mirror securely, pull down on the spring-loaded rubber clips until they are extended enough to hook over the bottom edge of your vehicle's rearview mirror. Let go of the VisionPRO mirror. Check to make sure it is securely clamped to your vehicle's rearview mirror.

Your VisionPRO mirror is equipped with a sliding back panel so that it can be moved from side to side if necessary. If the VisionPRO mirror prevents you from lowering or raising your car's visor, simply slide it right or left while it is still attached to your rearview mirror.

CAUTION:

Read instructions before installing. Use caution when attaching mirror. Clips are spring loaded and misuse may cause injury to fingers. Test mirror for secure attachment. If not securely attached, do not use. Objects may be closer than they appear in mirror.

WARRANTY: Torcon products are designed with quality in mind. This product is warranted against defects in material and workmanship for the life of the product. This warranty does not apply to defects or damage caused by misuse, alteration or normal wear and tear, and is limited only to replacement of this tool.

ADVERTENCIA:

Lea las instrucciones antes de instalar. Tenga cuidado al unir el espejo. Los clips son por resorte y el uso erróneo puede causar lesión a los dedos. Pruebe el espejo para asegurar el accesorio. Si no unido con seguridad, no utilice. Los objetos pueden estar más cercanos que aparecen en espejo.

GARANTÍA: Los productos Torcon han sido diseñados con la calidad en mente. Este producto está garantizado contra defectos de material y mano de obra durante la vida del producto. Esta garantía no se aplica a defectos o daños causados por el maltrato, la alteración o el desgaste normal, y está limitada solamente al reemplazo de la herramienta.
